

Hello VFC Dolphins!

We are so excited for the 2022 swim season! We are even more excited to announce that after two years we will be having a conference swim meet. We are also excited for the return of water polo and new this year a dive team. Water polo and dive information will come in future emails.

Our swim season will begin with evening practices on Wednesday, June 1st and will transition to morning practices on Thursday, June 9th. New swimmer evaluations, for swimmers new to Dolphins Swim Team, will be on Tuesday, May 31st.

We will run our Developmental and Age Group swim teams again this summer. Our Developmental team is for our younger swimmers who are new to swim team. The developmental team does not participate in meets, but the coaches will host a meet for the swimmers at the end of the season. In order to qualify for the developmental team your child should be 6 years old and be able to swim the length of the pool without assistance, be able to put their head under water and wear goggles.

Fees for swim team are going up this year. Costs have gone up and we need to raise fees to cover those charges. The swim team will be \$125 and the developmental team will be \$100. Water polo and diving will be offered at no charge.
